Dear John:

It was good seeing you at "Shap's" retirement last Wednesday. It was a very nice ceremony and the weather couldn't have been finer.

I am enclosing a flyer advertising AFCEA's San Diego Chapter Fall Symposium. This should be a very interesting couple of days.

I will call your Secretary in the next few days for an appointment. I would like to talk to you about closer coupling of the "I" in the C³I formula between military, government, and industry.

Warm Regards,

A handwritten signature in cursive script, appearing to read "Harry", is written over the typed name.
